

Echidna

EMBROIDERY

Cabinet

Designed by Echidna
Manufactured by:

At last! - a cabinet designed for embroidery

Position for mounting Cap Jig

Unique Hooping Platform

- Heavy Duty Construction with 1" (25mm) Work Surface limits vibration and operational noise to a minimum.
- Extra Heavy duty castors for easy manoeuvrability and stability.
- Molded edging on main work surface for durability.
- Extendable work areas with solid supports allows ample workspace.
- 4 Drawers with deep bottom Drawer - ideal for storing cap frames and other bulky items.
- 4 large pigeon holes for even more storage solutions.
- Provision to mount Cap Frame Jig.
- Slide out hooping platform on top drawer - the perfect hooping solution. Also supports the weight of heavy garments or fabric while embroidering.
