	The NS-10 is about Simplicity - you may be new to sewing, or maybe you are looking for a sewing machine that's easy to use - the NS-10 is the perfect choice. The 'jog dial' makes it very simple to select stitches you require quickly, and needle threading is complete in no time thanks to the built-in needle threader. Featuring an LCD screen, you can see at a glance information about the stitch width and length. Simplicity does not mean a compromise on features – there are 16 stitches to choose from, including 3 different buttonholes, to give that professional looking finish.	For current pricing please contact Echidna	\$ 499.00
	If sewing is already a keen hobby for you, then the NS-20 offers fantastic versatility for customisation and crafting. The electronic 'jog dial' provides finger tip control to easily choose from 40 stitch patterns, including 5 buttonholes. The backlit LCD screen allows you to see at a glance information about the stitch you have chosen, and the electronically controlled functions allow you to adjust the stitch sizes in a simple and precise way.	For current pricing please contact Echidna	\$ 549.00
	The NS-30 is about Functionality - if sewing is already a keen hobby for you, or you simply want more features, then the NS-30 offers fantastic versatility. The electronic 'jog dial' provides finger tip control to choose from 70 stitch patterns, including 7 buttonholes. The LCD screen allows you to see at a glance information about the stitch you have chosen, and the electronically controlled functions allow you to adjust the stitch sizes in a much more precise and simple way.	For current pricing please contact Echidna	\$ 599.00

	The NS-50 is all about creativity. It is the perfect choice when you want to get more creative with your projects. Feature packed with 135 built-in stitches, including 10 buttonhole styles that you can quickly and easily select at the touch of the key pad. The built-in lettering can be used to create labels or monograms - you can even combine up to 35 different stitches to create your own stitch patterns.	For current pricing please contact Echidna	\$ 699.00
	If quilting is your passion then the Innov-is NV200Q is the machine to deliver results. With so many user-friendly features and great accessories to allow you to concentrate on your project the machine helps you create your vision easier than ever before. With all the function buttons at your fingertips in one convenient and easy-to-use touch pad operation panel this computerised sewing machine offers great features including the three most desirable quilting feet – walking foot, free motion foot and ¼" foot. With 80 built-in stitches, an extra-large sewing bed designed for easy handling of large articles such as bed linens and quilts.	For current pricing please contact Echidna	\$ 899.00 
	The Innov-is 400 sewing machine is designed to fulfil your sewing and quilting needs and delivers sewing enthusiasts hundreds of stitches to choose from. And if you want create your own stitches, the My Custom Stitch™ feature will let you do just that. Great technology makes this a sewing machine that you will enjoy using. Easy threading, perfect bobbin winding, consistent thread tension and clearly marked measurement tools will help you to be the seamstress you have always wanted to be!	For current pricing please contact Echidna	\$ 1,199.00 
	The Innov-is 600 is perfect for the expert quilter and garment maker, and designed to fulfil every sewing need. If large projects are you're passion then this is the sewing machine to get great results every time with features packed in to maximise efficiency. Concentrate on your project and create your vision easier than ever before, with side feed as standard and the automatic thread tension system you can rely on a great finish every time.	For current pricing please contact Echidna	\$ 1,499.00 
	If you are looking for a compact sewing and embroidery machine, then the Innov-is 950 is ideal. Whether you are experienced or just starting out, you will be able to achieve professional results with this capable stand alone combination machine. PC connection is simple via the built in USB port. The accessory box fits into the working space for compact storage and the hard case keeps the machine safe and dust free. The Innov-is 950 will ensure your sewing and embroidery will have a personal, unique and professional finish.	For current pricing please contact Echidna	\$ 1,199.00  
	The new Innov-is 780D and improved embroidery machine with large embroidery area has 136 built in designs for you to choose from so you can customise your projects and personalise them too with 6 different styles of lettering. Your design options do not stop there, the machine is compatible with Brother's optional embroidery card library that contains many different design themes. If you have even more project vision why not exercise your own creative mind and with Brother's optional PE Design 8 software create your own designs to customise your project exactly how you want.	For current pricing please contact Echidna	\$ 1,499.00  
	The Innov-is 1250D combination sewing and embroidery machine is a remarkably affordable model that now includes 35 built in Disney® character designs. The 5" x 7" embroidery hoop gives you plenty of room to decorate your jeans, embellish a pillow or personalize your gifts with embroidery or monogramming. Simply touch the monochrome LCD screen to choose sewing stitches, embroidery patterns, help screens and more to explore your creative possibilities. Use the USB port to easily import designs from your USB memory stick. The 7-point feed dogs give you smooth, even stitches on almost any fabric. Features such as the Quick-Set™ bobbin, advanced needle threading system and super easy bobbin winding system make sewing a joy.	For current pricing please contact Echidna	\$ 2,299.00

Horn Sewing Cabinets

Product No.	Description	Platinum	RRP
	The new Horn Hobby/sew table is a sturdy table that offers free-arm and flatbed sewing for those large sewing machines on the market. The opening is 527mm wide x 285mm deep and will support an 18 kg sewing machine! The steel locking legs offer a sturdy base, but fold up neatly for easy storage. With a Velcro strap to secure the legs in place and 2 wheels on the under side of the table it is easy to move around the home, to take to your sewing classes or take away in your caravan while travelling.	For current pricing please contact Echidna	\$ 199.00
	The Sovereign MKII is our top of the range and largest sewing cabinet with the removable Caddy™ offering storage and extra sewing surface.	For current pricing please contact Echidna	\$ 1,199.00

	The Sewmate MKII is an ideal sewing and quilting companion the when room to the rear of the sewing machine is required and space is limited. The Caddy™ is to the left of the sewer and is ideal for overlocker use and storage. Ergonomically comfortable with leg room to the left of the lifter for centre of needle sewing. - While Stocks Last	For current pricing please contact Echidna	\$ 799.00
	The Outback MKII cabinet is a compact cabinet for all the larger machines which has the Horn maximum lifter and has the extra depth in the cabinet and a full sized back flap for extra support at the rear of the cabinet.	For current pricing please contact Echidna	\$ 799.00
	The Monarch MKII is a very practical and functional mid size cabinet with deep drawer storage and room for the overlocker. Plenty of room to the left of the sewer and ideally suited for medium sized projects for both sewing and quilting.	For current pricing please contact Echidna	\$ 799.00
	The Kimberley cabinet has a large work surface for all your sewing and quilting needs and has more depth than the standard range of sewing cabinets to assist with taller people and give more sewing space when the cabinet is opened.	For current pricing please contact Echidna	\$ 899.00
	This full sized Easy-sew cabinet with great storage and value for money. Available as ready to assemble product. Simply, open the cabinet, raise the machine and you are ready to sew!	For current pricing please contact Echidna	\$ 599.00
	The Crown MKII is ideal for sewers with limited space but where practicality and functionality are still important.	For current pricing please contact Echidna	\$ 499.00
	The Craft Plus Table is the ultimate accessory storage table! Ideal for all your craft and hobby Needs! Folds away for another day!! It's a great idea! So convenient and easy to use. No more bending, kneeling, stooping or using the kitchen table. The perfect answer for Craft and Hobby Enthusiasts.	For current pricing please contact Echidna	\$ 699.00

	The Craft Compact Table is smaller than the Craft Plus but the same comfortable working height and still plenty big enough for those large cutting jobs.	For current pricing please contact Echidna	\$ 599.00
	The Echinda Embroidery Cabinet is a versatile table cabinet that has been especially designed with the professional home and commercial embroiderer in mind. Made to exacting technical specifications to cater for heavy duty embroidery machines it combines good looks with functionality, strength, adaptability and durability.	For current pricing please contact Echidna	\$ 1,099.00
